

Oil Creek State Park Warbler Walk
8 am, Saturday, May 16, 2026

Join us for this family-friendly walk led by Mal Hays and Larry Towse to see wonderful warblers. At this time of year, warblers will be returning to our area to breed while others will be migrating through the area. Expect to be birding for about 2 – 2 ½ hours, but you can leave earlier. All are welcome!

Meet at 8 am at the Blood Farm area at Oil Creek State Park. After turning into Oil Creek State Park from Route 8, follow the park road just ½ mile and turn right at the entrance to the Blood Farm area. Watch for an Audubon Event sign marking the turn as it's easily missed. There is a restroom at this area.

We'll observe birds in this area from 8-8:30 am before starting a leisurely loop walk on trails. After we're satisfied, we'll drive into the park for other promising birding spots. Be prepared for damp or soggy areas if it's been a wet spring.
