Join us for three relaxing events on Saturday, May 30, at Cook Forest State Park. Come for any or all.

Start the morning at 9:30 am with a **guided bird walk** on gentle trail at the Fire Tower at Cook Forest State Park. Look for Fire Tower Road across the road from Ridge Campground. Coordinates are 41.32170, -79.21186.

Later, around 11 am, relax with a **handcrafted beer** by the [Clarion River Brewing Company](#) at MacBeth's Cabins. You can also get lunch at a food truck. The address is 15361 Rt 36, Cooksburg, PA.

Top off the day at 2 pm with **beautiful music** by [Keridwyn](#), a Celtic and Folk band. The concert will be at the Verna Leith Sawmill Theatre at the [Cook Forest Sawmill Center for the Arts](#). Donations to Seneca Rocks Audubon will be gratefully accepted. The address is 170 Theater Lane, Vowinckel, PA. A special thanks to the Sawmill Center for the Arts for providing their unique theatre space.

Finally, in your spare time, explore the one-of-a-kind **handcrafted items** at the Craft Market, adjoining the Theatre.
